PLAYER POINTS SYSTEM | 2018

Football Federation Australia – National Premier Leagues

A key outcome of the National Competitions Review (**NCR**) conducted in 2012 was the introduction of the Player Points System (**PPS**) to complement the Club Licensing framework for the PlayStation 4 National Premier Leagues (**NPL**). The objectives of the PPS are to:

- Provide greater opportunities to Australian Players;
- Promote a greater focus on the importance of youth development;
- Ensure Player salaries remain at levels which ensure the long term sustainability of NPL Clubs;
- Promote Players through the Club youth development structures;
- Increase the stability of NPL Club Player Rosters;
- Maintain competitive balance and parity amongst the NPL Clubs;
- Incentivise Players progressing through to national elite pathway teams (**National Elite Pathway Team**) to return to their original NPL Clubs; and
- Reward Clubs who develop Players that progress through to a National Elite Pathway Team.

The PPS encourages NPL Clubs to simultaneously promote greater focus on youth development whilst delivering the outcomes and objectives of the NCR.

The PPS distinguishes between two distinct types of **NPL Club** teams: those upon which an age restriction is placed (e.g. U16s, U18s, U20s) (**NPL Club Age-Eligible Team**) and the NPL Club's senior team, being the **First Team**.

The PPS points cap (**Points Cap**) applies to each NPL Club's First Team Player Roster (**First Team Player Roster**) and this First Team is required to remain within the Points Cap at all times.

The Points Cap for the 2018 season will be set by each Member Federation, in consultation with FFA, up to a maximum of 200 points.

Each Player is, as a starting point, attributed a points value of 10 points, after which his points value is adjusted depending on certain characteristics which result in points being added to or deducted from the Player's points value. A Player's points value cannot be less than 0 points.

Promoting Players from the NPL Club's Age-Eligible Teams onto the First Team Player Roster is permitted in limited circumstances as outlined further in the Explanatory Notes and Guidelines under First Team Player Roster Requirements.

Player Points System

Category	Points Adjustment	Criteria

A Visa Player may still benefit from the other categories of the PPS (e.g. Youth Player). A NPL Club can have a maximum of two Visa Players on their First Team Player Roster at any one time.
Homegrown Player	-1 for each season registered with the NPL Club	<ul style="list-style-type: none"> A Homegrown Player is a Player that has been registered for any period during a season with his NPL Club's Age-Eligible NPL Teams. The Australian Marquee Player will only incur a maximum of 10 points on a First Team Player Roster and will not otherwise be subject to the Switching Player category. The Player can benefit from the other categories of the PPS (i.e. Homegrown Player). A NPL Club can have one Player on its First Team Player Roster nominated as its Australian Marquee Player at any one time.

Explanatory Notes

NPL Club First Team Player Roster Requirements

- At all times during a NPL season, a NPL Club must include a minimum of 20 Players on its First Team Player Roster and may include a maximum of 23 Players on its First Team Player Roster.
- A NPL Club may promote a Player from its NPL Age-Eligible Teams to play for its First Team up to a maximum of 40% of matches throughout a NPL season without being required to include such Player on the First Team Player Roster. In order for such Player to be eligible to play in more than 40% of the matches in the NPL season, the Player must be included on the NPL Club's First Team Player Roster.
- For the purposes of the PPS, playing in a match is defined as taking the field of play (i.e. in the starting 11 or entering the field as a substitute). For the avoidance of doubt, it will not constitute playing a match if the Player remains on the bench and does not enter the field of play.
- All Players must be registered to the appropriate age-category (where applicable). Any Player who during the NPL 2018 Season exceeds the age-limit for the oldest NPL Age-Eligible Team at an NPL Club (e.g. U20), must be included on his NPL Club's First Team Player Roster.

Youth Player

Please refer to the table below in respect to the relevant point deductions in the Youth Player category:

<i>Player's Age as at 31 December in current NPL season</i>	<i>Points Deduction</i>
22 years of age	-1
21 years of age	-2
20 years of age	-3
19 years of age	-4
18 years of age and Under	-5

Australian Player

An Australian Player is any Player who is:

- a citizen of Australia;
- a Permanent Resident of Australia (where Permanent Resident means a person resident in Australia on a "permanent" visa class issued by the Australian Government, evidenced by either the person's Visa Grant Notice or as a listed entitlement on the person's online Visa Entitlement Verification); or
- the holder of a refugee visa, humanitarian visa or protection visa issued by the Australian government. For further details see: <http://www.border.gov.au/>

Visa Player

- Member Federations and NPL Clubs are encouraged to refer to the following website for further clarification regarding visas: <http://www.border.gov.au/>.
- For the purposes of the PPS, a New Zealand Citizen is classified as a Visa Player unless he satisfies the definition of an Australian Player. Please refer to the Department of Immigration and Border Protection website for further clarification regarding the visa status of New Zealand Citizens in Australia: <http://www.border.gov.au/>.
- Any Player participating in the NPL with a Hyundai A-League Club who has been permitted to play in the Foxtel Y-League as an “FYL Australian Player” will, for the purposes of the PPS, be deemed an Australian Player.

Homegrown Player

- A Player does not need to register in continuous seasons in a NPL Club’s Age-Eligible Teams in order to be eligible for Homegrown Player points.
- Example: For a Player who was registered for the NPL Club in the U14s and U16s but was not registered with the NPL Club in the U18s-U20s, a total of two points will be deducted from his points value for the current season.
- A Player is eligible for Homegrown Player points at the same time as being eligible for Loyalty Player points.

Loyalty Player

- Example: a Player is registered with a NPL Club’s First Team in 2014, 2015, 2016 and 2017 (continuous seasons). If also registered in 2018, he will be eligible to receive his first point reduction of one point as a Loyalty Player in the 2018 season.
- If a Player is not registered with any Club for a season and subsequently returns to his last NPL Club, the number of continuous seasons of registering for that NPL Club will be deemed to be continuous.
- Example: a Player was registered with the same NPL Club in 2014, 2015 and 2016 (continuous seasons), however was not registered with any Club in 2017. If the Player registers with that NPL Club in 2018, it will be deemed to be his fourth continuous season with that NPL Club.
- Should a Player move into a National Elite Pathway Team, the determination of the continuous seasons of service will not be deemed to have ceased if he returns to his previous NPL Club. During the Player’s time in the National Elite Pathway Team, the calculation of continuous seasons of service will be suspended.
- Example: Player John Smith of NPL Club A has been part of the First Team squad for three continuous seasons. He then moves to a Hyundai A-League Club for two years and then at the completion of his stint with that Hyundai A-League Club, he returns to NPL Club A. This season with NPL Club A will be deemed his fourth continuous season.

Switching Player

- This category only applies where a Player registers for another NPL Club.
- In the event that a Player is a Switching Player, he can only be classified in one category (e.g. a Player cannot incur Switching Player points in two different categories).
- For the purposes of Switching Player points, played means taking the field of play (i.e. part of the starting eleven or taking the field as a substitute).
- Where a Player was registered with a NPL Club (**Former NPL Club**) and subsequently:
 - registers with a Club that does not participate in the NPL, A-League or NYL (**non-NPL Club**); and
 - having not played for the non-NPL Club in a competitive match seeks to register with a subsequent NPL Club (**Subsequent NPL Club**);

the Member Federation or FFA may attribute Switching Player Points for that Player upon registration with the Subsequent NPL Club as if the Player had transferred directly from the Former NPL Club to the Subsequent NPL Club.

- The Subsequent NPL Club may apply to FFA or the Member Federation (whichever is applicable) to justify the reasons as to why Switching Player points should not apply.
- The Member Federation has the right to determine in its sole and absolute discretion as to whether Switching Player points will apply where the Member Federation is the Competition Administrator.
- FFA has the right to determine in its sole and absolute discretion as to whether Switching Player points will apply in the event that the NPL Club qualifies for the national NPL Finals Series.
- Switching Player points also apply for mid-season registrations and transfers, including a Player promoted from a NPL Club's Age-Eligible Team.
- Where a Player is promoted from a NPL Club's Age-Eligible Team (or equivalent) to a NPL Club's First Team Player Roster during the season, Switching Player Points will be applied where the Player's registration immediately prior (e.g. earlier in the 2017 season) or in the previous NPL season was with another NPL Club.

Pathway Player

- A Pathway Player is subject to all other categories of the PPS (other than the Switching Player category). For example, a Pathway Player is eligible for Loyalty Player points and Homegrown Player points.
- A Player who departs a NPL Club for a National Elite Pathway Team and returns to the same NPL Club will be classified as a Pathway Player provided the Player has remained within the National Elite Pathway for the duration of their absence from the relevant NPL Club.

Example A: *Player history of John Smith – Eligible Pathway Player*
2015 - *Registered with United FC (NPL Club)*
2016 - *Registered with Perth Glory (NYL)*
2017 - *Registered with Brisbane Roar (A-League)*
2018 - *Registered with United FC (NPL Club)*

Example B: *Player history of Mark Jones – Ineligible Pathway Player*
2015 - *Registered with United FC (NPL Club)*
2016 - *Registered with Perth Glory (NYL)*
2017 - *Registered with Thailand FC (Overseas)*
2018 - *Registered with United FC (NPL Club)*

Australian Marquee Player

- An Australian Marquee Player is subject to all other categories of the PPS (e.g. Homegrown Player) but will not be subject to the Switching Player category:

- (a) Subject to paragraph (b) below, a Player may only be categorised as an Australian Marquee Player in his first season with the NPL Club and for one season only in his career for that NPL Club. For the avoidance of doubt, a Player is not able to be an Australian Marquee Player in his second season in the NPL with that NPL Club.
- (b) Notwithstanding paragraph (a) above, if a Player is categorised as an Australian Marquee Player for an NPL Club, he then transfers as a professional to a Hyundai A-League Club or overseas Club and then subsequently returns to the NPL and seeks to register for an NPL Club (either the same or different NPL Club), he is eligible to be categorised as an Australian Marquee.

Points Deduction – Youth Player Advancement

Example: A NPL Club has an U14 team Player and an U20 team Player signed this season by a National Elite Pathway Team. The NPL Club can choose to have (a) six points deducted (-6 points) from this season’s Points Total, (b) three points deducted (-3 points) from this season’s and next season’s Points Total, or (c) six points deducted (-6 points) from next season’s Points Total.

Points Deduction – First Team Player Advancement

Example: A NPL Club has two First Team Players signed this season by a National Elite Pathway Team. The NPL Club can choose to have (a) sixteen points deducted (-16 points) from this season’s Points Total, (b) eight points deducted (-8 points) from this season’s and next season’s Points Total, or (c) sixteen points deducted (-16 points) from next season’s Points Total.

Points Deduction – Promoted Club

This category applies to Clubs promoted into the NPL and NPL Clubs promoted from NPL 2nd division into the NPL 1st division.
